Dear Brother Stringer,

Your work in the Lord is greatly appreciated. It is an honor to have this fellowship with you in the gospel.

Thanks for your interest in moving to work with the San Marcos church of Christ. As you know by our previous letter, we are planning to make some changes in about two years. At this time we are not ready to make any commitments for the future. We have many things to consider and for which to pray.

Meanwhile, we solicit your prayers in our behalf, as we will continue to pray for your work as well.

In Him,

The block contains three handwritten signatures in black ink. The first signature is a simple, stylized 'L' shape. The second signature is more complex, appearing to read 'Elders for the San Marcos church of Christ'. The third signature is also complex and appears to be a name, possibly 'John C. ...'.
